- STEAM ( Science, Technology, Engineering, Arts, & Mathematics)
- Creating Writing

- Debate
- Community Service

## End-of-Year Trip

Throughout the school year our lessons revolve around an underlying destination. This field trip takes Honor students beyond the classroom for a first-person, hands-on experience of everything they have learned throughout the year. The trip is family-oriented and is a beautiful experience with memories that last a lifetime. Previous trips have included Kennedy Space Center, New York City and Chicago.

**Our Knights of Honor 2020 end-of-year trip will take us internationally to beautiful Barcelona, Spain!**
