Kendall Christian School
Incoming Second Graders - Srta. Lourdes - Spanish Immersion

SUMMER READING/LANGUAGE ARTS ASSIGNMENTS

Here we go on our way to 2nd grade adventure! Reading in Second Grade would be more related to perfecting fluency and going deeper comprehension (understanding). The more we practice the better we get at it! As we read and write we also enrich our vocabulary capacity. Let us make these activities meaningful and purposeful for the children as they enjoy the ride using their imagination. "¡Pan comido!"

**Remember that Spanish reading is a priority and
the assignments should be completed in SPANISH.**

On the first day of school the following would be turned into the teacher stapled together:

1. **Reading log** (list of books read over the summer) (1 grade for Reading)

They have different options for a minimum of *8 readings*.

Options:

- a) a Bible story from their new Bible = 1 READING
- b) a picture book = 1 READING
- c) one chapter book = 4 READINGS

Example: 3 Bible stories + 1 chapter book + 1 picture book = 8 READINGS

2. BINGO (optional) Makes reading different and fun!
3. **Five written journal summaries** for the picture book, the chapter from the chapter book or the Bible story for the day. Each entry would be a written SPANISH summary of what the student read for the day. (1 grade for Reading/1 grade for Language Arts)
4. **Five written journal entries that tell** a day in their summer or any special event they want to write about. All five entries should be in Spanish. The student should write and draw in a lined paper. (1 grade for Language Arts.)

BOTH Writing would be graded for neatness, organization, content, punctuation and using capitalization

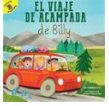

See attached Reading log, Bingo to have fun reading and template for the five written summaries.
